

BIBLIOTECA DELLA SOCIETÀ BOTANICA ITALIANA
PUBBLICAZIONI RICEVUTE NEL 2001

- AAVA-OLSSON B. - *Plant productivity: a predictor of animal species and community characteristics: ecological patterns from local to global scale*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 200).
- ALMQVIST C. - *Improvement of flowering competence and capacity with reference to Swedish conifer breeding*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 218).
- ARVIDSSON H. - *Wood ash application in spruce stands: effects on ground vegetation, tree nutrient status and soil chemistry*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 221).
- Atti del convegno "L'Orto botanico di Camerino 1828-1998" (Camerino, 29 settembre 1998)*. Camerino, Università degli studi, 2000, 141 p., ill., 24 cm (L'uomo e l'ambiente, 35).
- AXELSSON A.-L. - *Forest landscape change in boreal Sweden, 1850-2000: a multi-scale approach*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 183).
- BERGGREN A. - *Persistence of introduced populations of Roesel's bush-cricket *Metrioptera roeseli* in a patchy landscape*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 197).
- BERGHOLM J. - *Long-term effects of enhanced nitrogen and sulphate additions on soil acidification and nutrient cycling in a Norway spruce stand*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 215).
- BERGMAN M. - *Ungulate effects on their food plants: responses depending on scale*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 222).
- BERNARDO L. - *Fiori e piante del parco del Pollino*. 2a. edizione, Castrovillari (CS), Prometeo, 2000, 264 p., ill. color., 24 cm.
- BONAZZA M. (ed.) - *Accademia Roveretana degli Agiati: inventario dell'archivio (secoli XVI-XX)*. Trento, Provincia autonoma di Trento, 1999, LVII, 811 p., 16 p. di tav., ill., 25 cm (Archivi del Trentino: fonti, strumenti di ricerca e studi, 1).
- BONAZZA M. e TAIANI R. (eds.) - *Magnifica Comunità di Fiemme: inventario dell'archivio (1234-1945)*. Trento, Provincia autonoma di Trento, 1999, LXXXVIII, 867 p., 16 p. di tav., ill., 25 cm (Archivi del Trentino: fonti, strumenti di ricerca e studi, 2).
- BRANDTBERG P.-O. - *Mixing birch in Norway spruce stands: impact on forest floor chemistry with implications for the buffering of acidity and the nutrition of spruce*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 185).
- CASPRINI L. - *Dove sbocciano i fiori: i giardini e le porcellane di Carlo e Lorenzo Ginori*. Firenze, Edifir, 2000, 272 p., ill., 24 cm (Giardini, città, territorio, 17).
- CESCHIA E. - *Environmental effects on spatial and seasonal variations of stem respiration in European beech and Norway spruce*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 219).
- CORONA P. - *Introduzione al rilevamento campionario delle risorse forestali*. Firenze, CUSL, 2000, 284 p., 24 cm.
- Dati preliminari sulla distribuzione nella Bergamasca degli alberi e degli arbusti: I° contributo*. Bergamo, Gruppo flora alpina bergamasca, 1999, [45] p., ill. (carte di distribuzione), 30 cm.
- Dati preliminari sulla distribuzione nella Bergamasca delle Orchidaceae, Liliaceae, Amaryllidaceae: II° contributo*. Bergamo, Gruppo flora alpina bergamasca, 1992, [34] p., ill. (carte di distribuzione), 30 cm.
- Dati preliminari sulla distribuzione nella Bergamasca delle Amaryllidaceae, Liliaceae, Orchidaceae: III° contributo*. Bergamo, Gruppo flora alpina bergamasca, 1996, [28] p., ill. (carte di distribuzione), 30 cm.
- Dati preliminari sulla distribuzione nella Bergamasca delle Juncaceae, Graminaceae, Cyperaceae: I° contributo*. Bergamo, Gruppo flora alpina bergamasca, 2000, [21] p., ill. (carte di distribuzione), 30 cm.
- ELFSTRAND M. - *A transgenic approach for studying defense-related genes from Norway spruce*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 175).
- ELMEGAARD N. e BRUUS PEDERSEN M., *Flora and fauna in roundup tolerant fodder beet fields*. Copenhagen, National environmental research institute, 2001, 39 p., ill., 30 cm (NERI technical report, 349).
- FIRCKS Y. VON - *Distribution and seasonal variation of macro-nutrients, starch and radio-nuclides in short rotation *Salix* plantations*. Uppsala, Swedish university of agricultural sciences, 2000, 1 v. (paginazione varia), 24 cm (Silvestria, 171).
- FOLSTER J. - *Catchment hydrochemical processes controlling acidity and nitrogen in forest stream water*. Uppsala, Swedish university of agricultural sciences,

- ces, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 190).
- GIARDINI M. - *Note botaniche su Poggio Cesi, Monti Cornicolani*. [S. l.], [s. n.], [s. d.] (stampa 2000), 121 p., ill. color., 19 cm.
- GLODE D. - *Final cutting of shelterwood: harvesting techniques and effects on the Picea abies regeneration*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 179).
- GUSTAFSSON G. - *Heartwood and lightwood formation in Scots pine: a physiological approach*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 193).
- HERTZBERG M. - *A functional genomics approach to wood development*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 173).
- HOLMSTROM H. - *Data acquisition for forestry planning by remote sensing based sample plot imputation*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 201).
- IAKOVLEV A. - *Molecular responses of mycelia to fungus-fungus interactions*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 226).
- IHRMARK K. - *Double-stranded RNA elements in the root rot fungus Heterobasidion annosum*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 210).
- INGOUFF M. - *Molecular regulation of embryo development in Norway spruce*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 228).
- JACOBSON S. - *Fertilization to increase and sustain tree growth in coniferous stands in Sweden*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 217).
- JADERLUND A. - *Bilberry (Vaccinium myrtillus L.) in a boreal forest ecosystem: effects on tree seedling emergence and growth*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 188).
- KANG K.-S. - *Genetic gain and gene diversity of seed orchard crops*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 187).
- KARLSSON M. - *Natural regeneration of broadleaved tree species in Southern Sweden: effects of silvicultural treatments and seed dispersal from surrounding stands*. Alnarp, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 196).
- KLARQVIST M. - *Peat growth and carbon accumulation rates during the Holocene in boreal mires*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 203).
- KRETSCHMER W. - *Hydrobiologische Untersuchungen am Tagliamento (Friaul, Italien)*. München, Schutz der Bergwelt, pp. 87-108, ill., 26 cm (Estratto da: Verein zum Schutz der Bergwelt e. V. München, Jahrbuch 1995/60).
- KUHN K. - *Beobachtungen zu einigen Tiergruppen am Tagliamento*. München, Schutz der Bergwelt, pp. 71-86, ill., 26 cm (Estratto da: Verein zum Schutz der Bergwelt e. V. München, Jahrbuch 1995/60).
- LEVI D'ANCONA M., SIGNORINI M.A. E CHITI BATELLI A. - *Piante e animali intorno alla Porta del Paradiso*. Lucca, Pacini Fazzi, 2000, 106 p., ill., 21 cm (L'albero di Ruskin, 2).
- LINDAHL B. - *Nutrient cycling in boreal forests: a mycological perspective. Studies on phosphorus translocation within and between mycelia of saprotrophic and mycorrhizal fungi*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 214).
- LIPPERT W. et al. - *Der Tagliamento: Flußmorphologie und Auenvegetation der größten Wildflußlandschaft in den Alpen*. München, Schutz der Bergwelt, pp. 11-70, ill., 26 cm (Estratto da: Verein zum Schutz der Bergwelt e. V. München, Jahrbuch 1995/60).
- LUNDBLAD M. - *Variations in forest water fluxes at local scale: effects of stand properties and weather*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 189).
- LUZZI P. - *Frutti innocui e velenosi del territorio italiano*. Bologna, Calderini Edagricole, 2001, 213 p., ill. color., 21 cm.
- MAGGI M. E FALLETTI V. - *Gli ecomusei: che cosa sono, che cosa possono diventare*. Torino, Allemandi, 2000, 124 p., ill. color., 24 cm.
- MOELL M. - *Digital image analysis for wood fiber images*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 225).
- MOTTI R. - *Guida al riconoscimento degli arbusti ornamentali*. Napoli, Liguori, 2001, 364 p., ill. color., 22 x 24 cm.
- MREMA F. A. - *Abiotic and biotic factors influencing the performance of Leucaena leucocephala and Newtonia buchananii trees in Tanzania*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 229).
- NEGRI J. E TORTORELLA G. - *Uomini e parchi oggi: aree protette e sviluppo economico*. [S. l.], [s. n.], [s. d.] (stampa 2000), 232 p., ill., 29 cm (Atti del Convegno internazionale, Gargnano, 21-22 ottobre 1999).
- NILSON K. - *Regeneration dynamics in uneven-aged Norway spruce forests with special emphasis on single-tree selection*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 209).
- NORDBORG F. - *Effects of site preparation on soil properties and on growth, damage and nitrogen uptake in planted seedlings*. Alnarp, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 195).
- NYBERG G. - *Carbon and nitrogen dynamics in agroforestry systems: temporal patterns of some important soil processes*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24

- cm (Silvestria, 181).
- NYSTROM K. - *Growth models for young stands: development and evaluation of growth models for commercial forest in Sweden*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 180).
- OHMAN K. - *Forest planning with consideration to spatial relationships*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 198).
- OLSSON T. - *Parameters, relationship and selection in pines*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 192).
- Orchidee spontanee della provincia di Bergamo*. Bergamo, Provincia di Bergamo, 2001, 191 p. ill. color., 29 cm.
- PERSSON E. - *Storage of spruce pulpwood: effects on wood and mechanical pulp*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 206).
- PROSSER F. - *Lista rossa della flora del Trentino: pteridofite e fanerogame*. Rovereto, Edizioni Osiride, 2001, 107 p., ill. color., 24 cm (Pubblicazioni del Museo civico di Rovereto, 89).
- QUIAN J. - *Mercury species in environmental samples studied by spectroscopic methods*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 202).
- RIBEIRO M. M. - *Genetics of Pinus pinaster Aiton with cytoplasmic and nuclear markers*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 177).
- RUDEBECK A. - *Factors affecting nitrification in European forest soils*. Uppsala, Swedish university of agricultural sciences, 2000, 1 v. (paginazione varia), 24 cm (Silvestria, 145).
- SALIH M. K.E. M. - *Diagnoses of nutrition of Norway spruce forests: effects of fertilisation and acidification*. Uppsala, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 212).
- SANDEWALL M. - *Sustainable use of forest land in Southeast Asia: a strategic planning approach*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 178).
- SANDIN L. - *Spatial and temporal variability of stream benthic macroinvertebrates: implications for environmental assessment*. Uppsala, Swedish university of agricultural sciences, 2000, 1 v. (paginazione varia), 24 cm (Silvestria, 172).
- SCHINKEL H. - *New isoforms of CuZn-superoxide dismutase with high isoelectric points and low abundance in pine and poplar*. Umea, Swedish university of agricultural sciences, 2001, 1 v. (paginazione varia), 24 cm (Silvestria, 191).
